Assembly Instructions - Model 9838CH (Chocolate)
Instrucciones de Ensamblado - Modelo 9838CH (Chocolate)
Instructions de montage - Modèle 9838CH (Chocolat)

Before You Begin

Thank you for purchasing this product. We've included easy to follow step-by-step instructions which have been carefully written to ensure quick, easy assembly of your furniture. Be sure to read the instructions (a time saver in the long run). Identify all parts and hardware. When laying out parts, place them on a soft surface to prevent scratching.

Antes de que empiece

Muchas gracias por comprar este producto. Hemos incluido instrucciones fáciles de seguir paso por paso las cuales han sido cuidadosamente escritas para asegurar el rápido y fácil ensamblado de su mueble. Asegúrese de leer las instrucciones (un economizador de tiempo a la larga). Identifique todas las partes y artículos de ferretería. Cuando disponga las partes, colóquelas en una superficie suave para prevenir que se rayen.

Avant de commencer

Merci d'avoir acheter ce produit. Vous trouverez dans cet emballage des instructions pas-à-pas faciles à suivre, qui ont été rédigées avec soin afin d'assurer un montage rapide et aisé de votre meuble. Ne manquez pas de les lire attentivement; elles vous feront gagner du temps par la suite. Identifiez les pièces et les accessoires de montage. Lorsque vous sortez les pièces de leur emballage, placez-les sur une surface non rugueuse, pour éviter de les rayer.

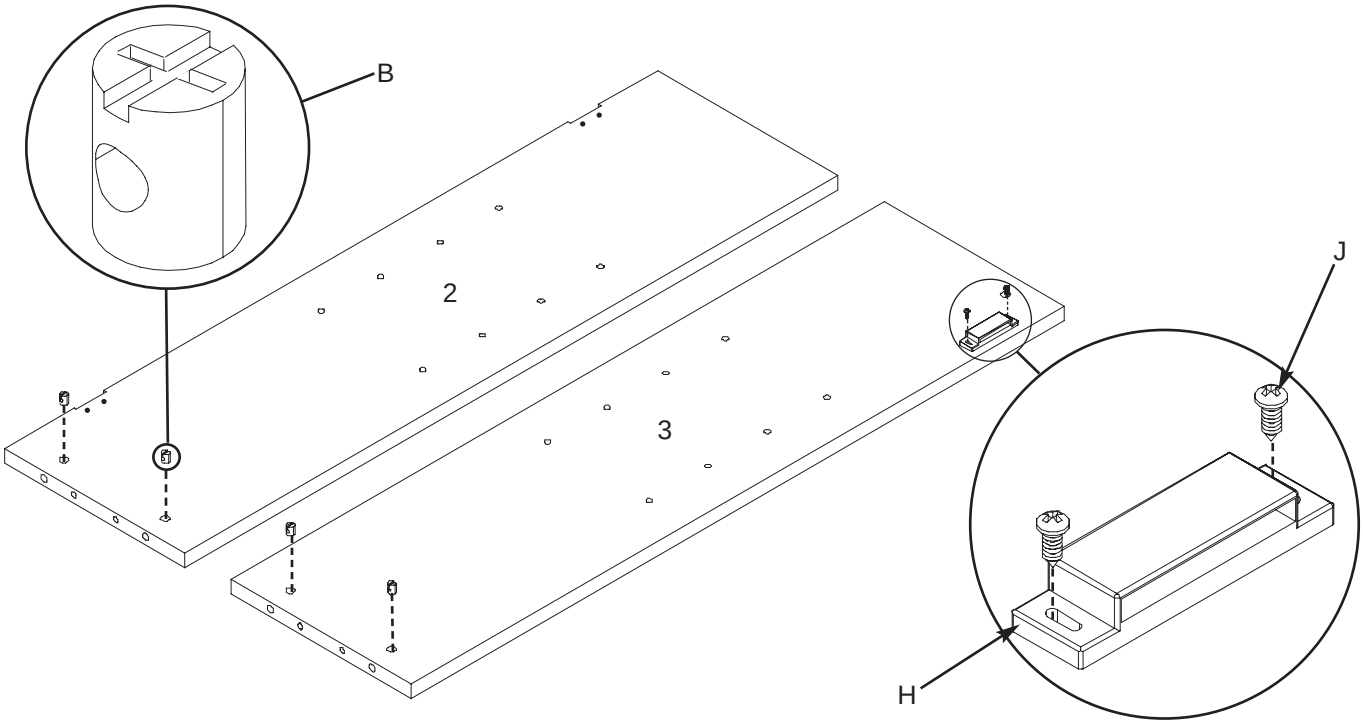
1 Pieza inferior para cajón
1 fond de tiroir

1. Insert threaded inserts (B) into left and right top side panels (2,3). Note the direction of the slot on each threaded insert. Fasten magnet (H) to right top side panel (3).

Inserte las piezas de inserción con rosca (B) en los paneles laterales superiores izquierdo y derecho (2, 3). Tome nota de la orientación de la ranura en cada pieza de inserción con rosca. Asegure el magneto (H) al panel lateral superior derecho (3).

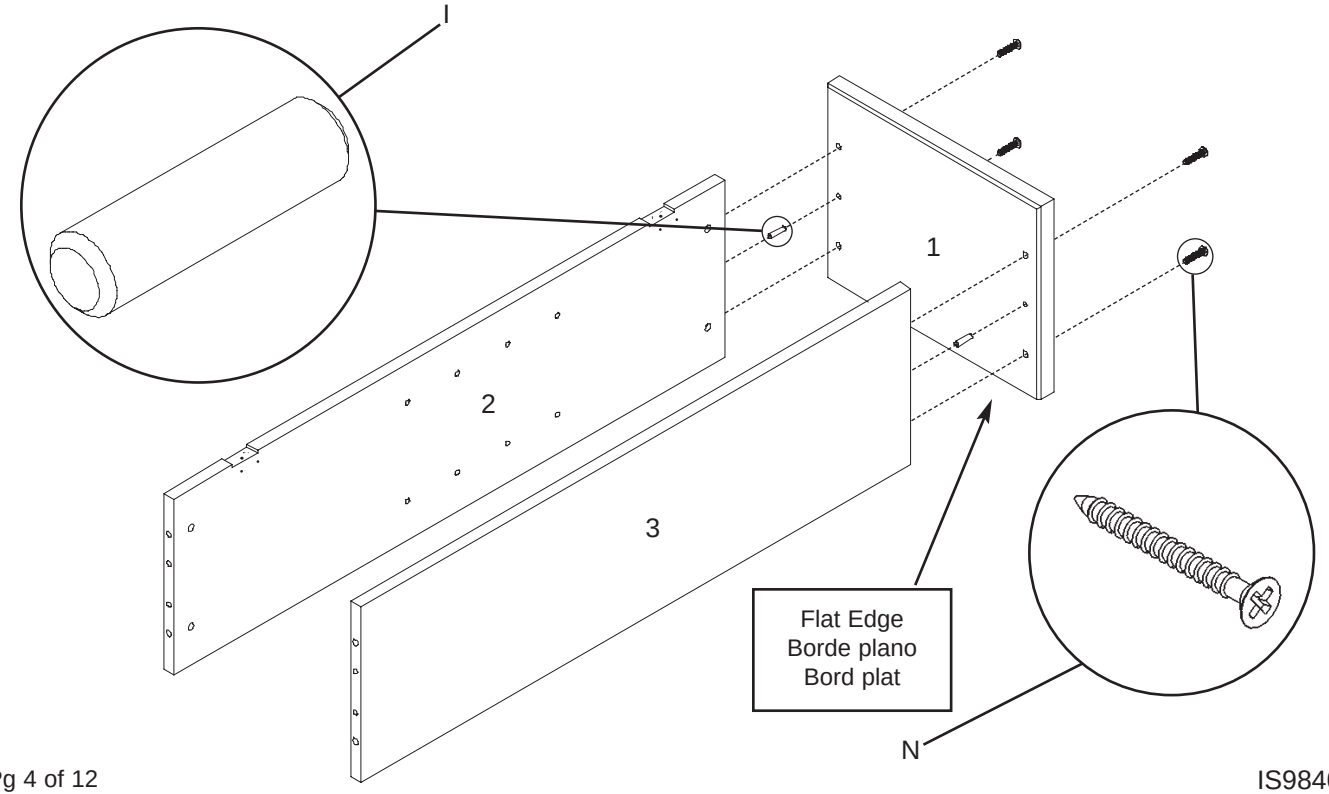
Introduisez des douilles taraudées (B) dans les panneaux latéraux gauche et droit (2, 3). Repérez le sens de la fente sur chaque douille. Fixez l'aimant (H) au panneau latéral supérieur droit (3).



2. Insert short dowels (I) into the top left and right top panels (2,3). Fasten top panel (1) to left and right top side panels (2,3).

Inserte clavijas cortas (I) en los paneles superiores izquierdo y derecho (2, 3). Asegure el panel superior (1) a los paneles laterales superiores izquierdo y derecho (2, 3).

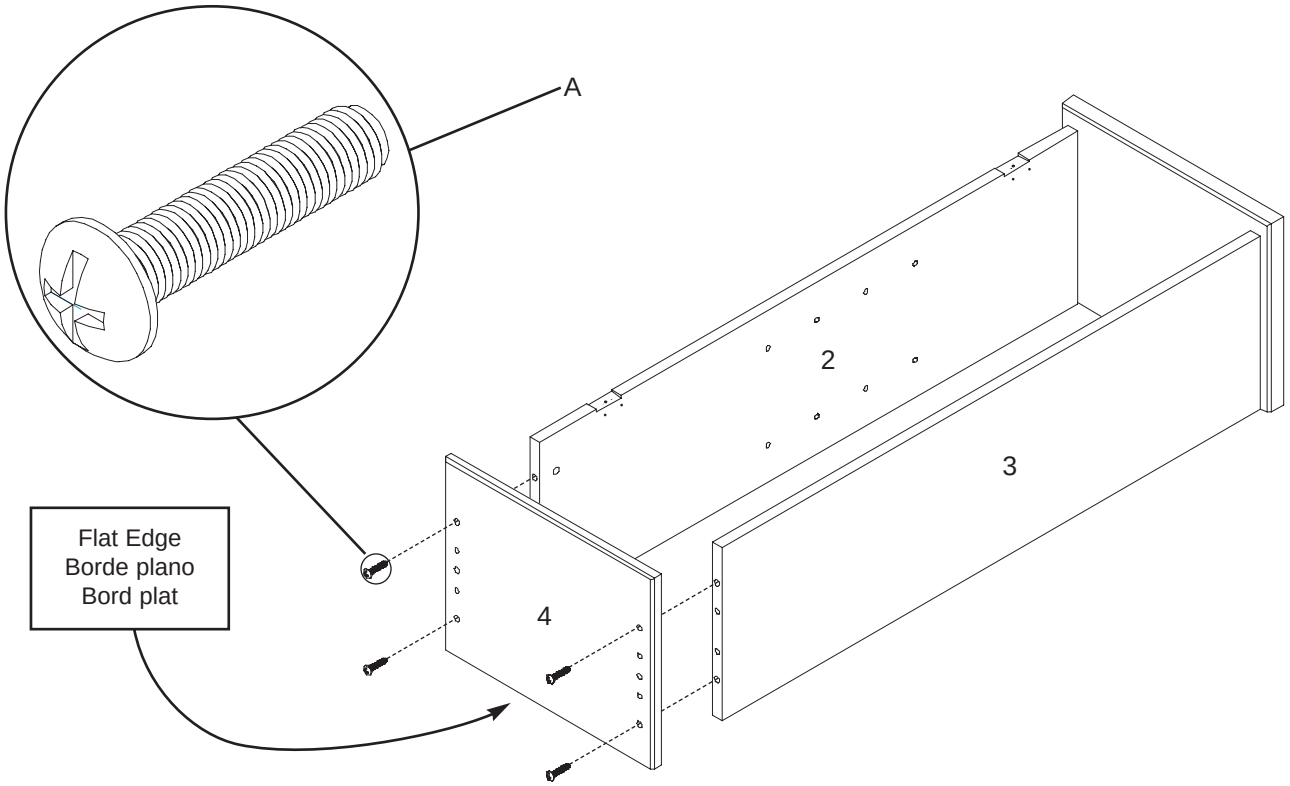
Introduisez de goujons courts (I) dans les panneaux supérieurs gauche et droit (2, 3). Fixez le panneau supérieur (1) aux panneaux latéraux supérieurs gauche et droit (2, 3).



3. Fasten middle fixed shelf (4) to left and right top side panels (2,3).

Asegure la repisa fija media (4) a los paneles laterales superiores izquierdo y derecho (2, 3).

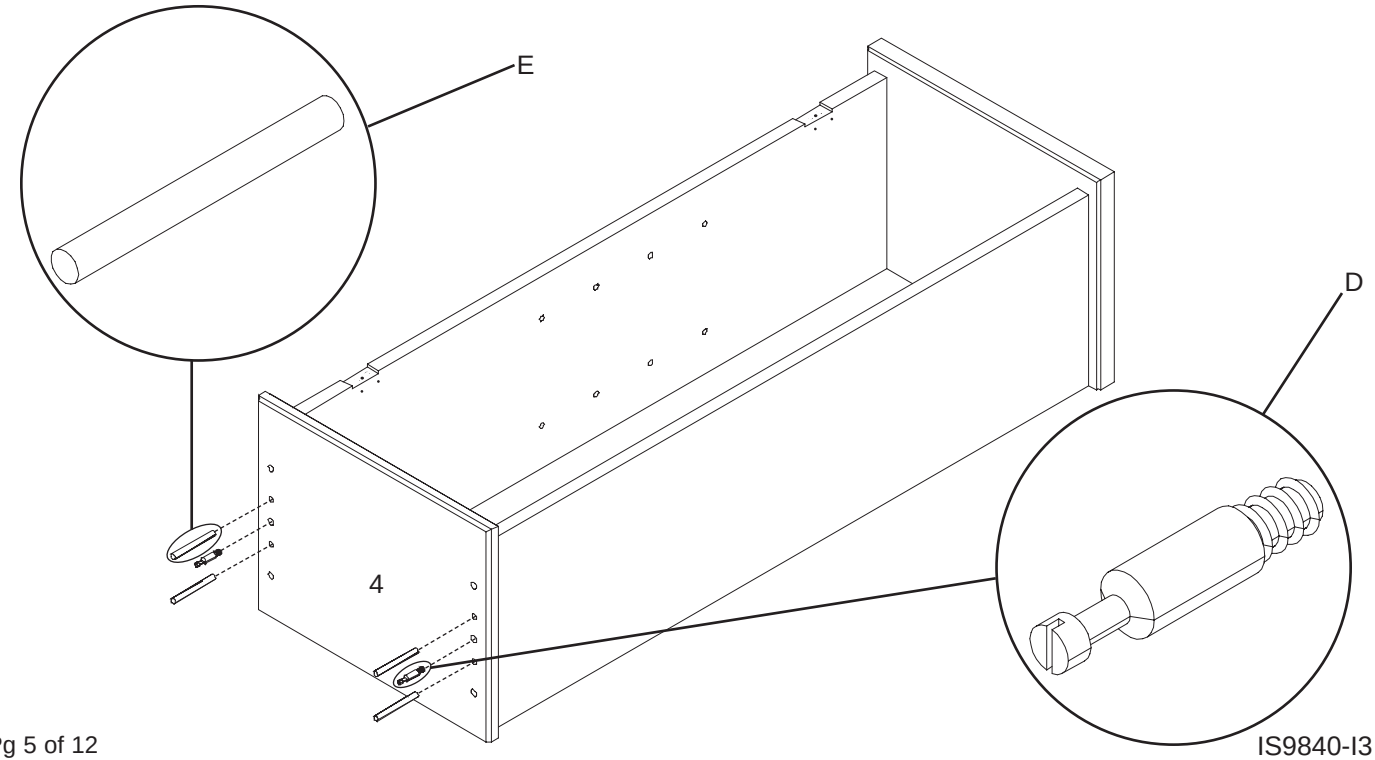
Fixez l'étagère fixe médiane (4) aux panneaux latéraux supérieurs gauche et droit (2, 3).



4. Fasten cambolts (D) and insert long dowels (E) into middle fixed shelf (4).

Asegure los pernos para levas (D) e inserte las clavijas largas (E) en la repisa fija media (4).

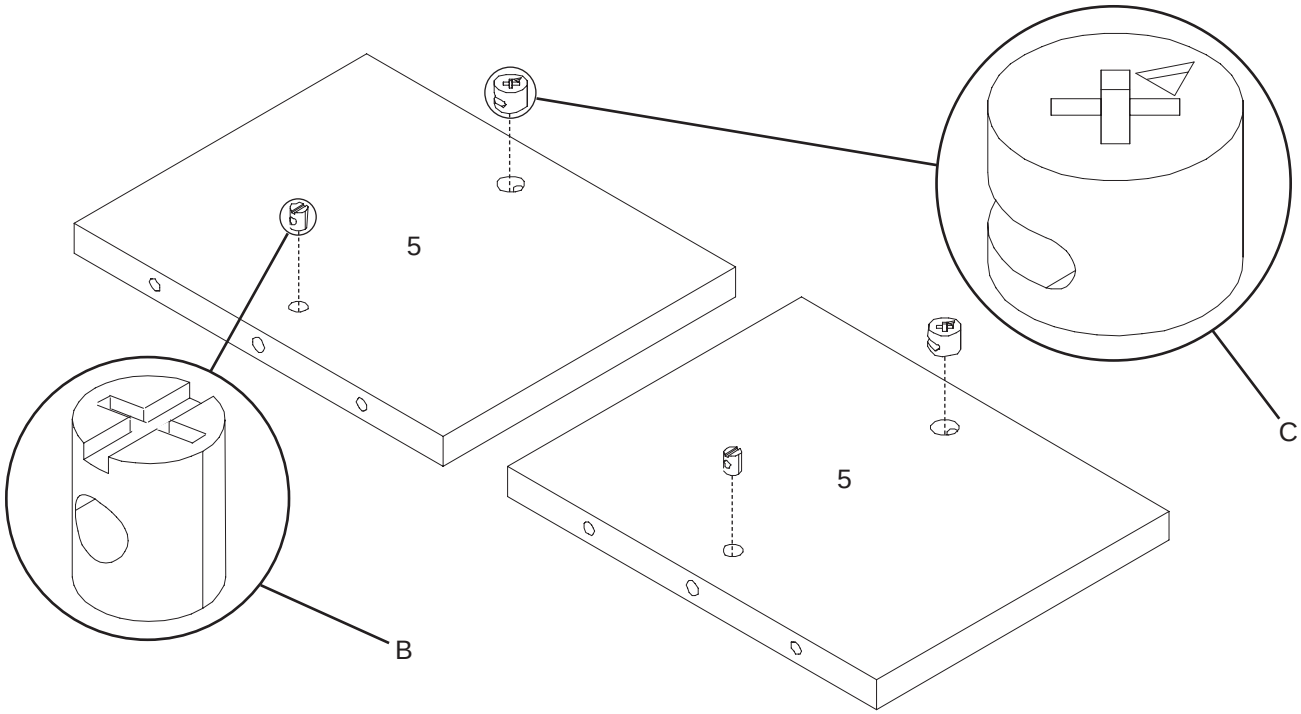
Fixez des boulons à cames (D) et introduisez des goujons longs (E) dans l'étagère fixe médiane (4).



5. Insert cams (C) and threaded inserts (B) into bottom side panels (5). Note the direction of the arrow on each cam. Note the direction of the slot on each threaded insert.

Inserte las levas (C) y las piezas de inserción con rosca (B) en los paneles laterales inferiores (5). Tome nota de la orientación de la flecha en cada leva. Tome nota de la orientación de la ranura en cada pieza de inserción con rosca.

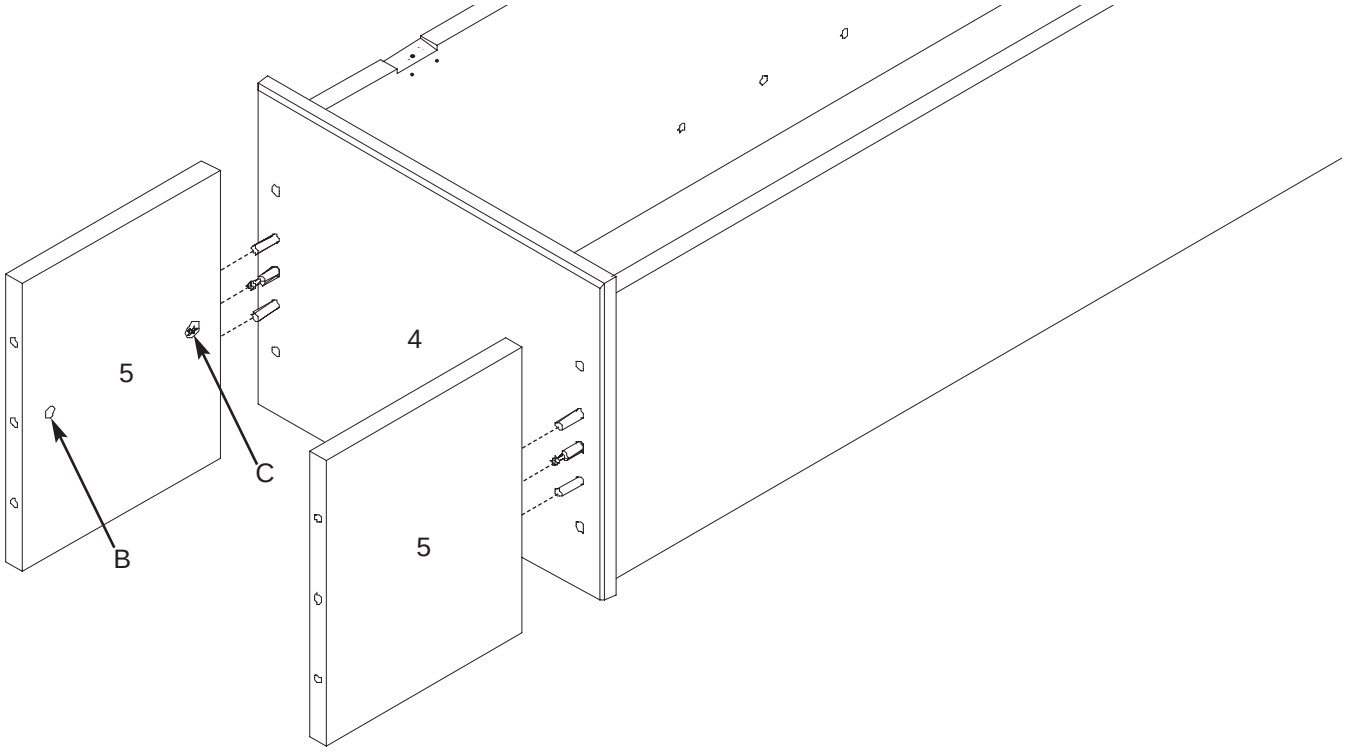
Introduisez des cames (C) et des douilles taraudées (B) dans les panneaux latéraux inférieurs (5). Repérez le sens de la flèche sur chaque came. Repérez le sens de la fente sur chaque douille.



6. Fasten bottom side panels (5) to middle fixed shelf (4). Tighten cams by turning them clockwise approximately a half turn or until tight.

Asegure los paneles laterales inferiores (5) a la repisa fija media (4). Apriete las levas girándolas en el sentido de las manecillas del reloj aproximadamente media vuelta o hasta que estén apretadas.

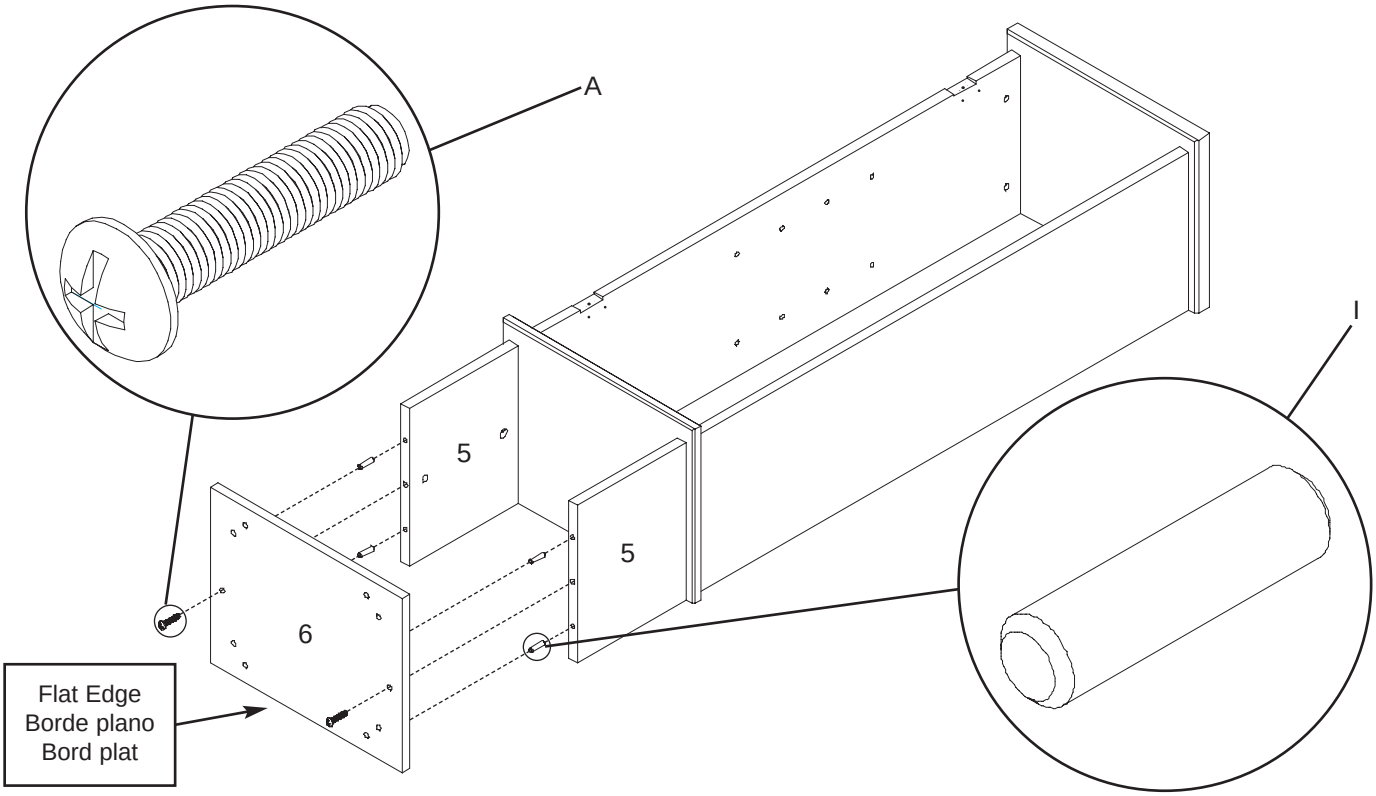
Fixez les panneaux latéraux inférieurs (5) à l'étagère fixe médiane (4). Resserrez les cames en les vissant dans le sens des aiguilles d'une montre d'un demi-tour environ ou jusqu'à ce qu'elles soient bien serrées.



7. Insert short dowels (I) into bottom side panels (5). Fasten bottom fixed shelf (6) to bottom side panels (5).

Inserte clavijas cortas (I) en los paneles laterales inferiores (5). Asegure la repisa fija inferior (6) a los paneles laterales inferiores (5).

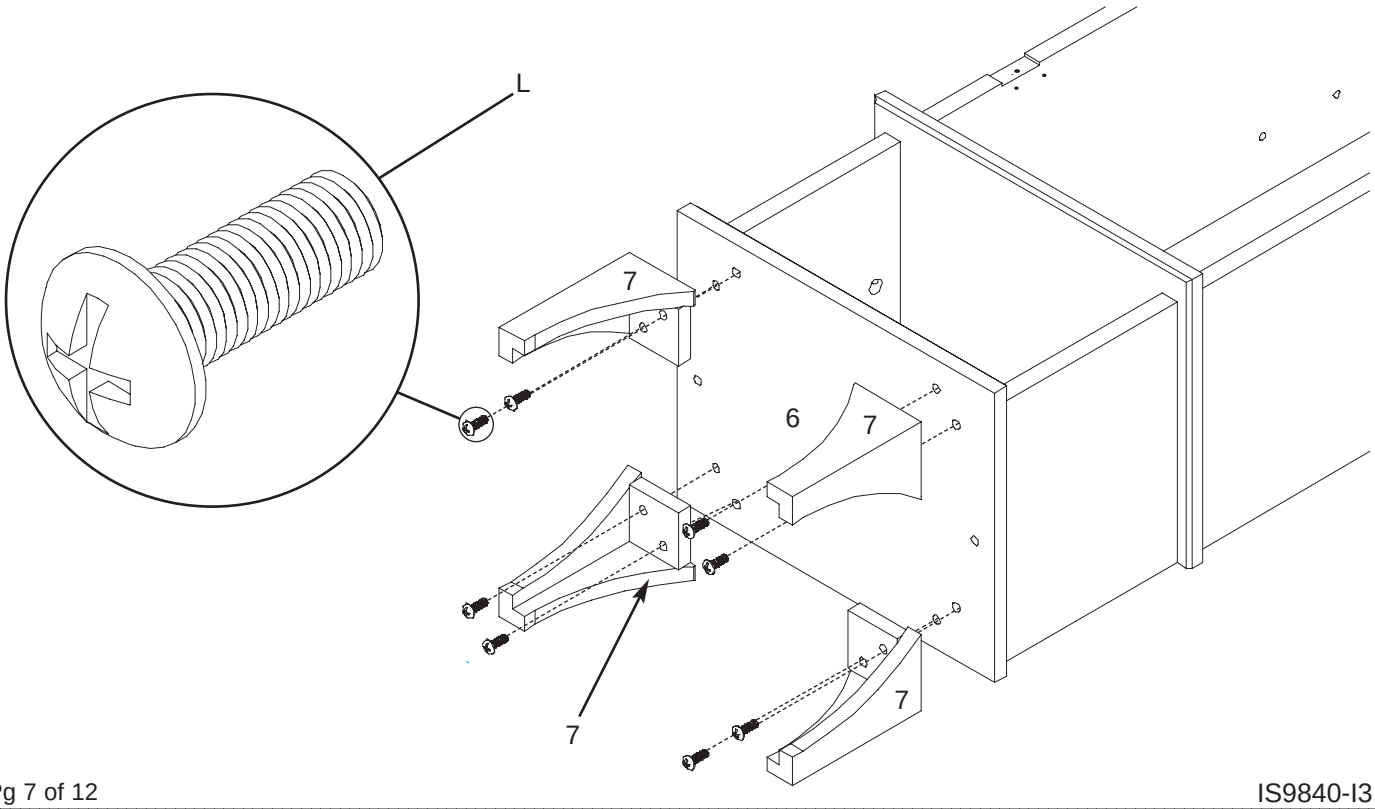
Introduisez des goujons courts (I) dans les panneaux latéraux inférieurs (5). Fixez l'étagère fixe inférieure (6) aux panneaux latéraux inférieurs (5).



8. Fasten feet (7) to bottom fixed shelf (6).

Asegure los soportes (7) a la repisa fija inferior (6).

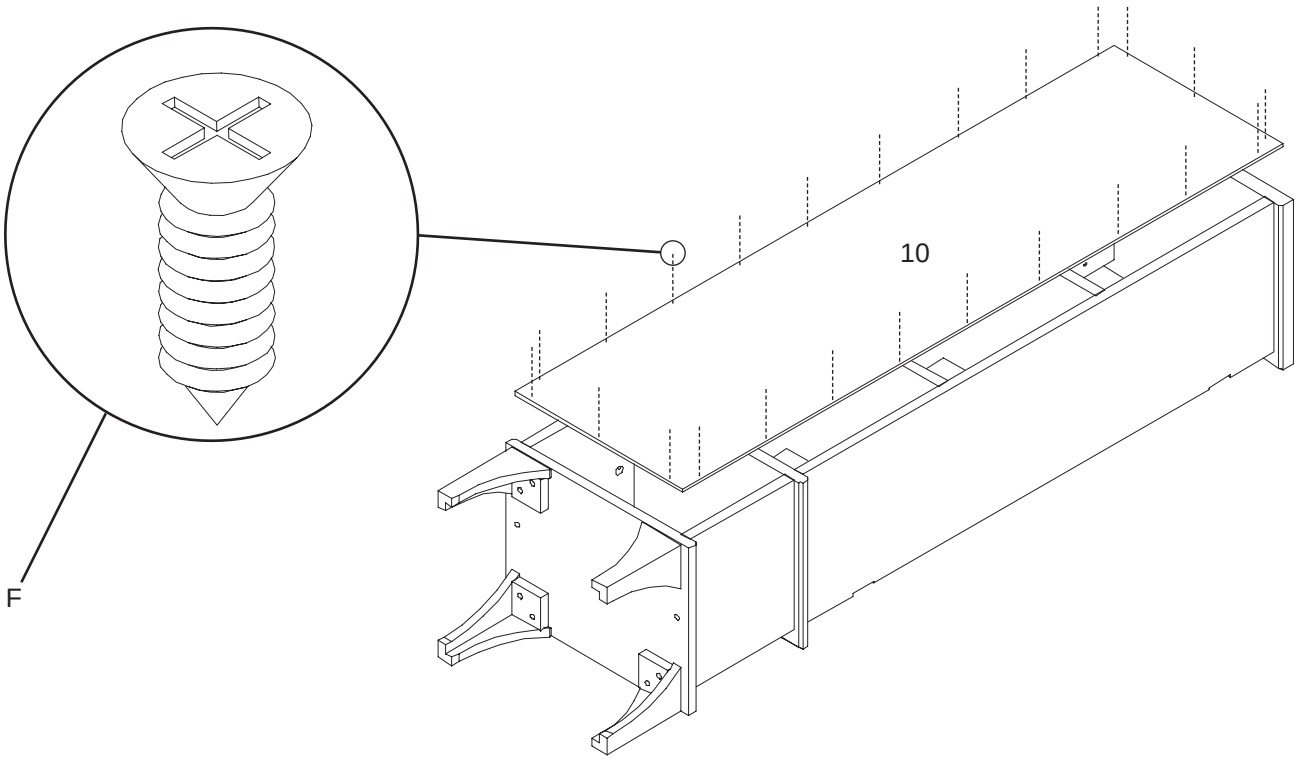
Fixez les pieds (7) à l'étagère fixe inférieure (6).



9. Turn unit over. Fasten back panel (10) to unit.

Voltee la unidad boca abajo. Asegure el panel posterior (10) a la unidad.

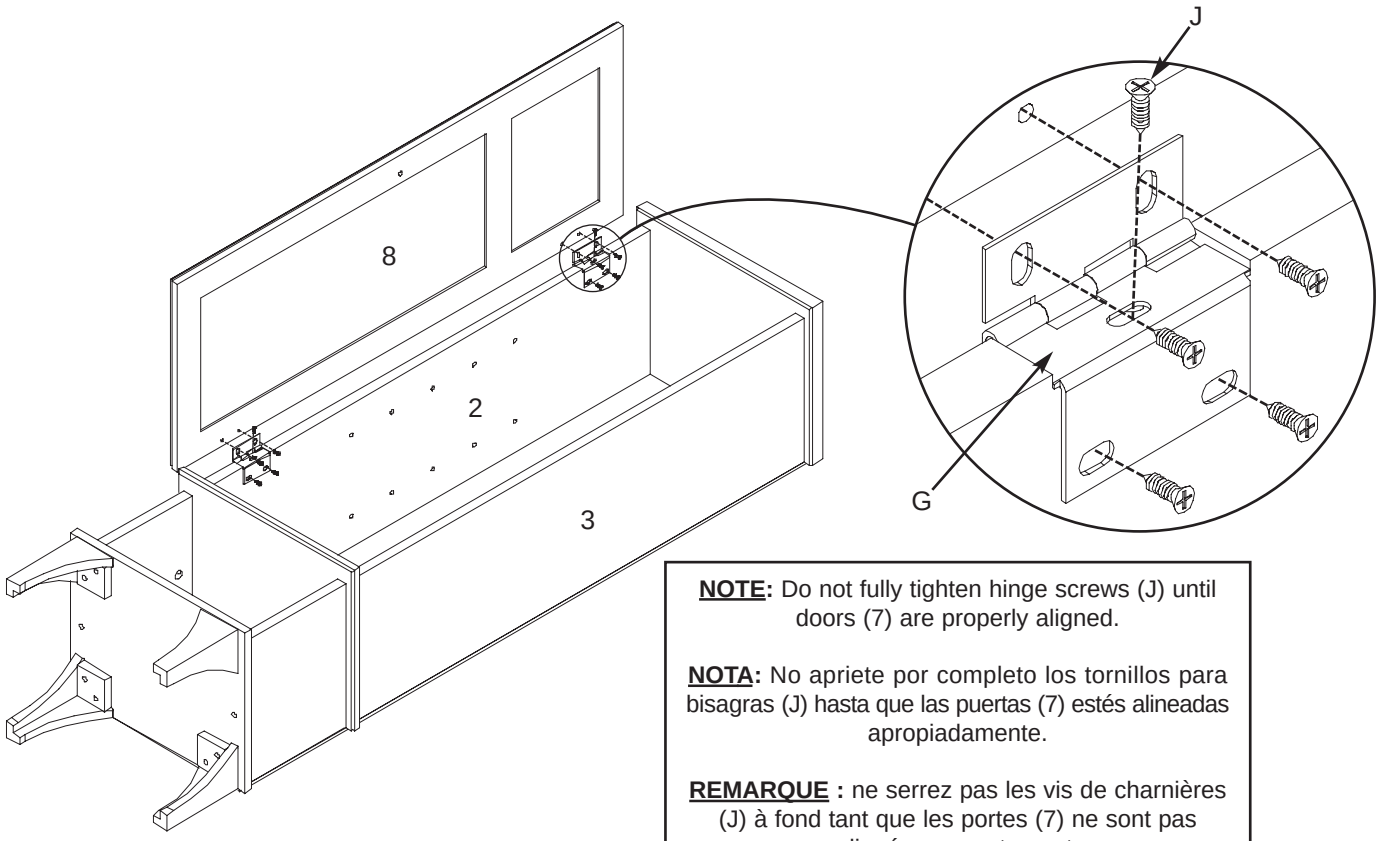
Retournez le meuble. Fixez le panneau arrière (10) au meuble.



10. Fasten hinges (G) to door (8) and left top side panel (2).

Asegure las bisagras (G) a la puerta (8) y al panel lateral superior izquierdo (2).

Fixez les charnières (G) à la porte (8) et au panneau latéral supérieur gauche (2).



NOTE: Do not fully tighten hinge screws (J) until doors (7) are properly aligned.

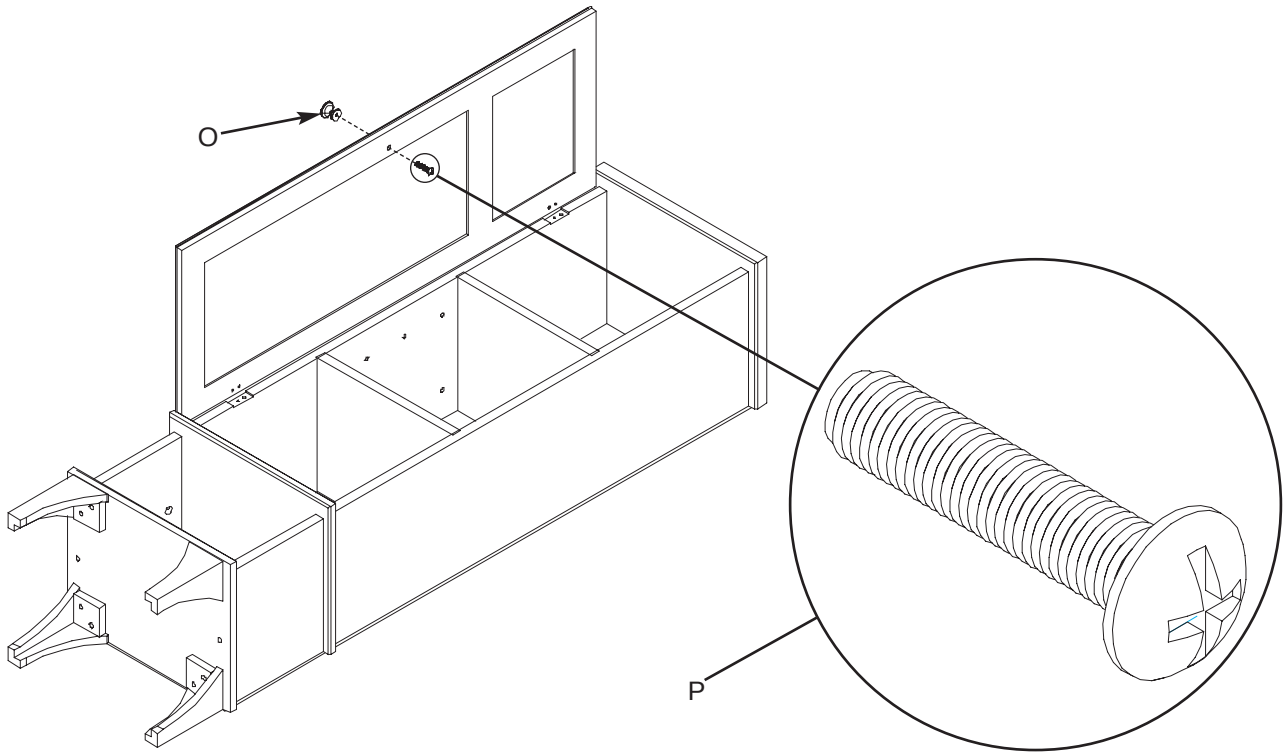
NOTA: No apriete por completo los tornillos para bisagras (J) hasta que las puertas (7) estés alineadas apropiadamente.

REMARQUE : ne serrez pas les vis de charnières (J) à fond tant que les portes (7) ne sont pas alignées correctement.

11. Fasten knob (O) to door (8).

Asegure la perilla (O) a la puerta (8).

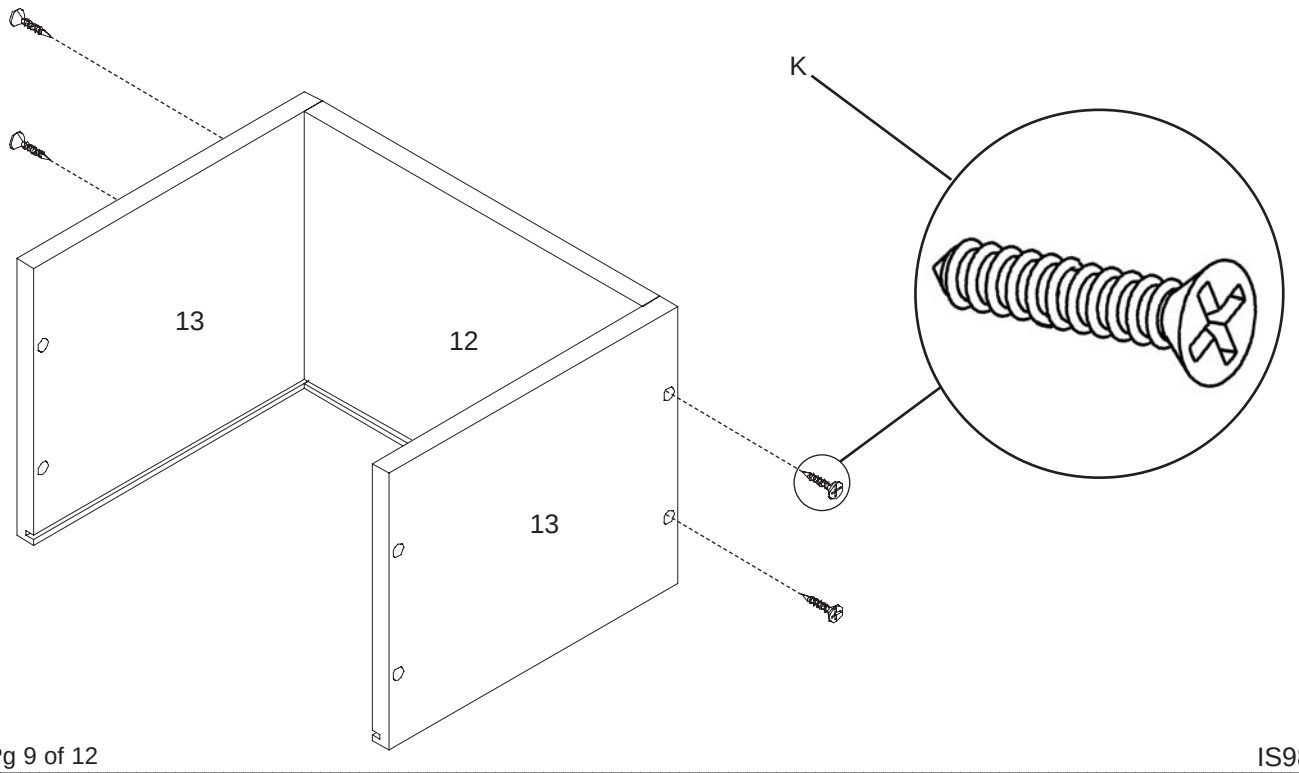
Fixez le bouton (O) à la porte (8).



12. Fasten drawer sides (13) to drawer back (12).

Asegure las piezas laterales para cajón (13) a la pieza posterior para cajón (12).

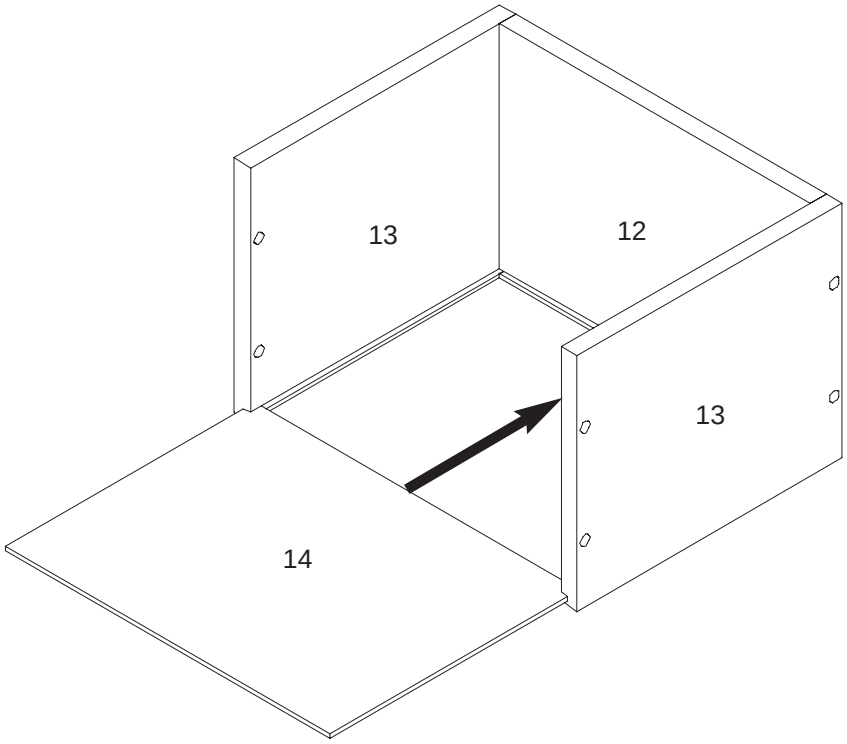
Fixez les côtés du tiroir (13) au bandeau (12).



13. Slide drawer bottom (14) into groove.

Deslice la pieza inferior para cajón (14) en la ranura.

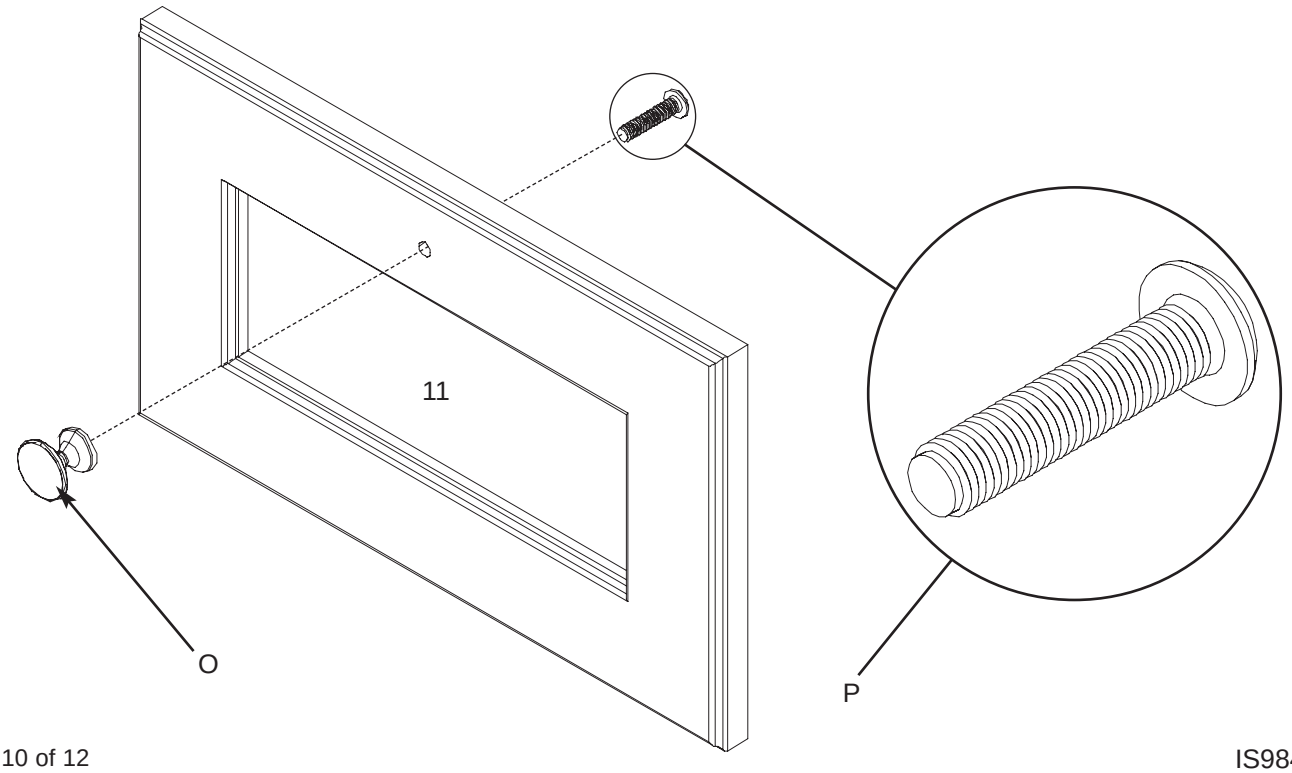
Insérez le fond du tiroir (14) dans la rainure.



14. Fasten knob (O) to drawer front (11).

Asegure la perilla (O) a la pieza frontal para cajón (11).

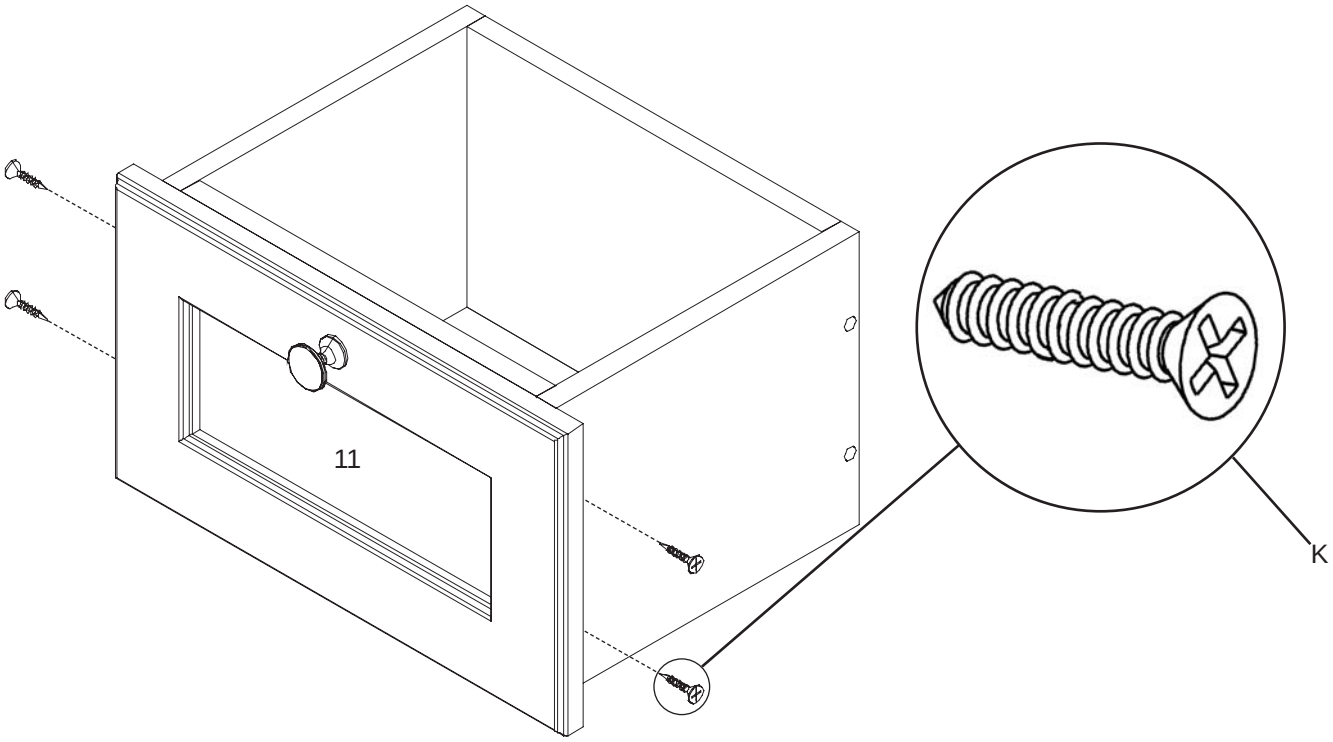
Fixez le bouton (O) au bandeau du tiroir (11).



15. Fasten drawer front (11) to drawer assembly.

Asegure la pieza frontal para cajón (11) al ensamble de cajón.

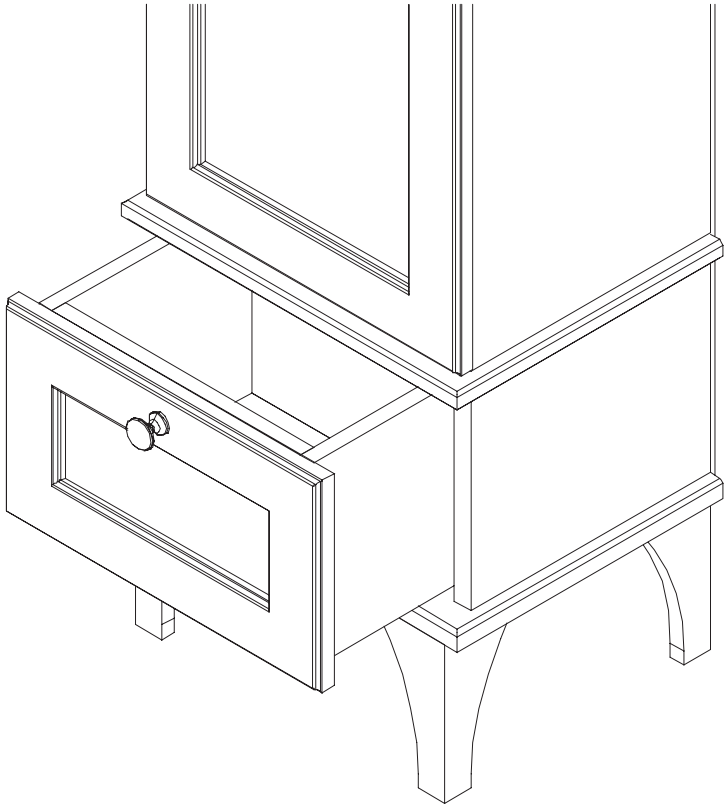
Fixez le bandeau (11) à l'ensemble du tiroir.



16. Insert drawer into unit.

Inserte el cajón en la unidad.

Insérez le tiroir dans le meuble.



17. Place adjustable shelves (9). Coloque las repisas ajustables (9) Mettez les étagères amovibles (9) en place.

Cover screws on top of unit with screw caps (R).

Cubra los tornillos en la parte superior de la unidad con las cubiertas para tornillos (R).

Recouvrez les vis en haut du meuble avec les cache-vis (R).
